The Newest Addition

You have surely heard the news already that Wrightsville UMC has received approval from the Town of Wrightsville Beach to build a columbarium and memorial garden on the site of our main campus on Live Oak Drive. This is really exciting news as members will now have the opportunity to have their cremated remains interred forever at the church. The new wall and accompanying garden will add beauty to the property; but more importantly, it will be a sacred space for members who die and for their family members and friends to visit.

For those who may not be familiar with the term, a columbarium is a more contemporary version of a cemetery. Nowadays, most people are being cremated rather than having their body buried in the ground. The columbarium and memorial garden allow members to have a final resting place for their cremains.

At Wrightsville, we will actually have several options for people to use the area. The first is to purchase a niche in the columbarium where members can have their remains interred. The second option is to have your remains buried in the memorial garden. And, the third option is to have your name engraved on a memorial plaque inside the garden, for those who wish to be interred or buried elsewhere.

Naturally, it will take a few months before the wall, the garden, and the plaque are all completed. But, I love it that the approval came during the season of Lent and that we are starting to purchase the niches now. We kick off Lent with Ash Wednesday which reminds us that from dust we came and to dust we shall return. And yet, we also hold on to the promise of Easter that reminds us that our lives will go on forever beyond the grave. With the addition of the columbarium and memorial garden we will have a physical reminder that the beloved members of Wrightsville who died before us are actually still alive in Christ. And, we will not need to look far when we join in the Apostles' Creed and say that we believe in "the communion of the saints" for their remains will be with us right here on the church grounds.

I'd really like to thank the Board of Trustees and the Memorial Garden Committee for helping to bring this vision to fruition; and I would especially like to thank Jan Turpin, Melissa Wagenseller, and Jerome Pinckney for leading the way in making this dream come true. Working alongside them, David Ray brought his legal skills to help make sure we met all the town's regulations and procedures. So, if you see any of these people in the next few weeks, I know you will want to join me in thanking them for putting in hours and hours of work on this important project.

As you can tell, I'm very excited about this new addition to our church property. I hope you will be too.

May the Peace of Christ be with you,
Pastor Doug

Memorial Garden Update

The Town of Wrightsville Beach's Board of Aldermen approved our church's request for a Special Use Permit on March 13, granting us permission to build a Memorial Garden and Columbarium. We want to build a Memorial Garden which will include a Columbarium that consists of niches for the interment of the ashes of cremated human beings. Each niche shall be identified with an engraved plaque with the name and dates of birth and death of the deceased. In the Memorial Garden, there will be a dedicated area for the burial of ashes for those that would prefer that their ashes be buried.

We will have a brick wall along our south side property line that will house the columbaria. There will be 12 units of columbaria with 30 niches in each, for a total capacity of 360 niches that can house the cremains of up to 720 people. The Memorial Garden will hold an infinite amount of human cremains.

The Memorial Garden will be self-sustaining and the receipt of all funds and payment of expenditures will be in a restricted account to be known as "The Memorial Garden Fund".

The church shall maintain the Memorial Garden in perpetuity to preserve it as a place of reverence and meditation.

Based on our cost projections to date, we expect initial construction costs and fees for the brick wall Columbarium and the Memorial Garden to cost about \$185,000. We will need to presell about 70 niches before construction can begin to cover the cost of construction.

If we are unable to presell enough niches, burial rights, and memorial wall recognition within six months of sales, our Memorial Garden plans will be tabled and all fees paid to date will be refunded in full.

We are currently taking reservations for niches or burial of ashes in the Memorial Garden and still have room for you to make your reservation. Click [here](#) for a copy of the Memorial Garden Agreement. You can also pick up a Memorial Garden Agreement in the church office to complete. Signed copies of the Memorial Garden Agreement and your payment are due to reserve your spot in the church's Columbarium or Memorial Garden. To schedule an appointment to make your reservation and select your choice of niche, please email memorialgarden@wrightsvilleumc.org. Questions? Please contact Melissa Wagenseller (910) 262-1942, Jerome Pinckney (910) 262-5800, or Jan Turpin (910) 619-7942 or email memorialgarden@wrightsvilleumc.org.

The Wrightsville United Methodist Church Outreach Committee supports and nurtures individuals and organizations who are in need in our community, nation and world. We also seek to provide members of our congregation opportunities to define their own ministry in service of Christ.

Greetings!

I hope this letter finds you well. On behalf of Snipes Academy, I would like to extend our heartfelt gratitude for your generous donations to help fund field trips for our students. We are continually inspired by the dedication and generosity of your congregation. It is through the kindness of supporters like you that we can provide enriching experiences for our students.

We are grateful for your continued support and to have community partners like you! We APPRECIATE all that you do for our Students and Staff at Snipes Academy !

Warm regards,
Dr. Stephanie Willis, Principal
